BAYSHORE PRECINCT

AN INTEGRATED HUB — ONE MRT STOP AWAY FROM BAGNALL HAUS

The East Coast is set for rejuvenation in the coming years, notably with two key future development projects—Bayshore Precinct and Long Island —which will form the urban vision of waterfront living in the East.

The Bayshore Precinct, an 8-minute cycle or 1 MRT stop away from Bagnall Haus, will see an unveiling of amenities, green spaces and cycling connectors by the waterfront.

Future of Coastal Living

Plans are underway to construct distinctive waterfront homes in the East, of which 30% of 10,000 are private developments.

Seamless Connectivity

Expect accessible transport services for a car-lite lifestyle. This bustling neighbourhood is well-connected with cycling and walking paths and a bus-only Transit Priority Corridor (TPC) on the new street, Bayshore Drive.

Integrated Development and Interchange

A newly built bus interchange, the upcoming Bedok South MRT station, and an integrated development will also offer retail and F&B amenities.

Recreational Parks

New parks, including a 3-hectare Central Park and a Linear Park along the Bayshore Precinct, will provide ample space for recreational activities.

New Facilities and Amenities

A coastal town with an energetic community sprinkled with amenities is the ideal environment to maintain an active and healthy lifestyle.

BAGNALL HAUS

Bayshore Precinct

Located next to East Coast Park and the sea, the upcoming 60-hectare Bayshore precinct is a lifestyle waterfront residential estate nestled in lush greenery. The area will enjoy comprehensive connectivity through the Thomson-East Coast Line at Bayshore and Bedok South stations, including the future Bedok South Integrated Transport Hub.

Long Island (FUTURE MASTER PLAN)

The Long Island land reclamation project will create around 20km of waterfront parks and destinations, including a new reservoir, offering abundant community spaces.

- Bedok South Integrated Transport Hub (U/C)
- Future Landscape Bridge to East Coast Park

RETAIL SHOPS BY THE HAUS ARRIVAL**

Seeking to redefine contemporary heritage living, the Haus Arrival possesses heritage-inspired motifs thoughtfully integrated into its distinctive facade. The allocation of retail spaces within the Haus Arrival makes it both purposeful and artful, creating a comforting homecoming.

THE HAUS

AN ABODE THAT EMBODIES THE ESSENCE OF COASTAL LIVING

Three distinguished residential blocks of 5 storeys house an intimate 113 units of 1-bedroom flexi to 5-bedroom homes. Inspired by the seaside manors of time past, a unifying courtyard and elevated pool deck sit enveloped between the blocks on lush, tiered grounds.

Level 2 Haus Courtyard

**BASK IN INTIMATE INTERLUDES
GRACED WITH BRONZE HUES IN THIS
HERITAGE SETTLEMENT**

We maintain contemporary heritage living in the continuity of chevron motifs in residents' homes. The design derives from the location's rubber-tapping legacy and history as a seaside resort decorated with coconut trees—where herringbone patterns marked the tree trunks, and the leaves of coconut trees made fan-shaped shadows.

The Courtyard Crossing unveils the vision of luxury heritage living in Bagnall Haus, connecting each block to the heart of the Haus.

Generously spaced and airy, it is perfect for relaxation and casual recreation amidst a cooling breeze and essentially unblocked views of neighbouring landed estates and greenery. You can engage in all manners of recreation, from leisure to active, individual and communal.
